

BUSY WEEK FOR LOCAL SELECTMEN

Several Sessions Held By Board — Hearings On Streets and Coasting—Budget To Be Considered Tonight — Warrant Closed

One of the busiest weeks on record for the board of selectmen started last Monday evening with a session that lasted until early Tuesday morning. Part of the evening was taken up by a hearing on the problem of coasting on Washington street.

The following evening, the board met with the public works board. Adjourning at 12:25 Wednesday morning, the selectmen then went into extra session to take up important matters. Wednesday evening, the selectmen conferred with the Middlesex Turnpike association and the planning board in regard to the proposed Arlington-Lowell highway.

Another session will be held this evening to consider the budget for 1936 with the finance committee. Next Sunday afternoon, the selectmen are due for another meeting.

Among matters taken up at this week's session was the warrant for the special town meeting to be held January 29. The warrant was closed with nine articles included.

Coasting Hearing
Twenty-five people turned out for the hearing on Washington street coasting last Monday evening. Among the suggestions made was to allow coasting on Ronald road and make it one-way. Another was to permit the sport on Washington street between the hours of 3 and 5 during which time a traffic officer would be on duty to stop auto traffic. The hearing tabled the matter after hearing those present.

At Monday's meeting Gerald Cusack was appointed assistant janitor on full time at the Robbins house and the old town hall. William A. Muller Investment corp. was given a license to build a motor vehicle sales and service shop at 21-23 Massachusetts avenue. Masse's DeLuxe station at 90 Summer street was granted a

second class auto dealer's license. R. W. Shattuck Inc. of 470 Massachusetts avenue was awarded the contract to supply the incandescent lamps to the town this year. The firm was the lowest bidder.

Streets Recommended
The Joint Board voted to recommend to the annual town meeting the laying out of the following streets: Argyle road, Dundee road, Glen avenue, Lockeland avenue, Ottawa road, Peter Tufts road, Sutherland road, Washington street. It was voted not to recommend the laying out of the following: Alpine street, Berkeley street, Edmund road, Harold street, Laurel street and Overlook road. Hearings on all streets accepted and rejected both were held by the joint board.

The joint-board also voted this week, to order a hearing for Monday evening, January 27 on the acceptance and construction of Hibbert road.

Police Aid Victim Of Tech Hazing Stunt
Lawrence R. Steinhardt, New Jersey student at M. I. T., unfortunate victim of a hazing stunt was given a "lift" by Officers Ryan and MacLean of the local police early last Monday morning while enroute from Woburn to Cambridge.

The young man, whose plight was bitterly denounced by The Tech, student publication, was kidnapped by fellow students, who clipped his hair and then removed his trousers before they left. He was taken to the Cambridge line where he was transferred to a police car. The Arlington officers then took the youth to the Cambridge line where a police cruiser car waited to take him back to the Tech dormitory.

ENDORSES BALL

In a letter to P. Joseph McManus, chairman of the general committee in charge of the Birthday Ball for the President, Alice C. Kelsey, State President of the Parent-Teachers' association writes in part as follows:

"I am glad to recommend to the Parent-Teachers' local units in Arlington and their members such co-operation as they are able to give in making a signal success of the President's Ball for the benefit of infantile paralysis sufferers."

Such hearty support from this source is ample evidence of the importance of this nation-wide project to help victims of infantile paralysis.

450 Taking Night Courses

A total of 449 men and women attempted the first session of the second week of the Arlington Community Evening classes at the senior high school last Monday evening. The classes are being sponsored by the Arlington Woman's club. The enrollment is increasing with each session.

To take care of the large enrollment, two classes in English are now being held on Monday evenings, at 7:30 and 8:30 o'clock. On both Monday and Thursday evenings, classes in stenography are now being held. Miss Helen Hunt is the new teacher for beginners. The class on writing club news is now given at 7:30 o'clock Monday evenings by Edward W. Center instead of Thursdays.

Last Monday evening, a novel class was that on flower arrangements given by C. Edward Newell, State Art Director. G. O. Anderson & Sons furnished the generous display of flowers.

Ask Legislature To Authorize Sale Of Park Dept. Land
(Special To The News)

STATE HOUSE, Boston—Arlington selectmen today asked legislative authority to sell property held by the park department of the town.

Two parcels are set forth in the petition filed for the local board by Rep. Nelson B. Crosby. They are located on Chestnut st., next to the home of Dr. Shea and in the rear of the Byrne home, running back to Cemetery rd. The parcels were at one time owned by the arch-diocese of Boston. The sale of the land, now owned by the town, was authorized by vote of the last town meeting.

C. OF C. MINSTREL SHOW PROVES DECIDED HIT

Before a crowd which nearly filled Robbins town hall to capacity last Friday evening, the Chamber of Commerce presented a stellar Dixieland Minstrel Show with a cast of well known local people headed by Dr. Franklin P. Hawkes, Principal of the Junior High School West, as interlocutor.

Many especially fine numbers were presented and the audience showed its appreciation by prolonged applause which did not subside until the performers rendered encore after encore.

The show consisted of a two part performance. After the opening chorus of the first part Bert Tate rendered an end song "Dixie Jamboree" which was well received. There were so many fine numbers in the show that it would take columns to describe them all. Suffice it to say that they were all exceptionally good.

The numbers which seemed to draw the most spontaneous applause in this observer's opinion were: the end songs, "Who Walks In When I Walk Out" by Warren Lindberg, "Red Sails in the Sunset" by William Scanlon, "No Other One" by Chet Cook, "Somebody Stole My Gal" by Walter Chamberlain, and "Any Place in Dixie is Home Sweet Home to Me" by C. H. Peterson.

The officers and directors of the Arlington Chamber of Commerce who made this show for the benefit of the Boys' Club and Benevolent organizations possible are: John D. O'Leary, president; Anna B. Callahan, secretary; and Norman Jenkinson, treasurer. The Board of Directors comprises: David A. Wilcox, William McNeal, Leonard Roberts, James O. Holt, Wathen B. Henderson, L. E. A. Smith, Rufus Blake, Earl A. Ryder and Ralph Stevens. Charles Forsaith is the National Councilor and Charles Hardy the Auditor.

Fire Levels Scale House

The old scale house, long occupied by the Metropolitan Ice Company, near Spy Pond, off Lake st. and the new Concord-Cambridge turnpike, in East Arlington, was practically destroyed by fire believed to have been of incendiary origin, last Wednesday evening during the heavy rain-storm. The fire was discovered by Patrolmen Millard Merritt and Arthur Clare of the Arlington police patrolling in a cruiser, and the Arlington fire department was called out on a still alarm.

The fire lit up the sky and was seen by many, but caused no particular danger as it was rather isolated, and the heavy rain made nil the danger of flying sparks igniting any other buildings.

Heavy Damage In Auto Crash

Two autos were considerably damaged and had to be towed to a garage as the result of a crash at Mystic and Summer sts. early last Wednesday morning. The operators were Frank Souza, of 36 Newland rd. and Edith N. Butler, of Billerica. No one was injured.

In another accident yesterday morning, a car operated by Richard O'Brien, of 25 Moore st., East Boston skidded on Summer st. and a wheel was snapped off. The accident was due to loam which had been washed onto the street during the heavy downpour of the previous night.

Two other autos were damaged when they collided last Monday forenoon on Medford st. opposite the Russell school.

The cars were being operated by Katherine Mernick, 3 Freeman st., and Walter Lowe, 416 Mystic st.

LOWE ANNOUNCES HIS CANDIDACY

Chairman of Selectmen To Run For Re-Election — Has Served Three Years — Leaves Way Clear For Others In Town Clerk Contest

All rumors to the effect that George H. Lowe, Jr., chairman of the Board of Selectmen would be a candidate for town clerk in the annual election next March were cast aside yesterday when Chairman Lowe formally announced that he would seek reelection for another three-year term to the Board of Selectmen.

The long-awaited announcement places Chairman Lowe the first to announce his candidacy for the office of Selectman. The present chairman made his debut

which is made up of the Selectmen and Public Works Board members.

For the past few months, political observers were of the opinion that Mr. Lowe would run for town clerk, which office will be vacated by the present holder at the end of her term in March, it is understood.

With Chairman Lowe's announcement, it is now believed that several candidates to the office of town clerk will be made very shortly since it is felt that many aspirants were just marking time awaiting announcement of Lowe's intentions. It is generally agreed that Mr. Lowe, because of his ability and popularity, would be hard to defeat for any office. Consequently, a free-for-all contest for the town clerkship is now expected.

Mr. Lowe resides at 56 Mt. Vernon st.

For School Board
William F. McClellan, attorney, living at 37 Quincy st. yesterday announced his candidacy for the local school committee. Attorney McClellan is the first to come out for this office.

In announcing his candidacy, he told the NEWS that he felt Arlington had too many teachers living outside of the town while there are so many capable teachers living in Arlington who are now out of work, if elected he expects to fight for a remedy of this situation.

Atty. McClellan is a graduate of Suffolk Law School and has offices on Tremont st. Boston.

Opposes Capital Punishment
(Special To The NEWS)

Speaking before the legislative committee on judiciary at the State House yesterday, Atty. Curtis H. Waterman, of this town, voiced strong objection to capital punishment. He said in part: "Capital punishment does not work and does not prevent murder."

In place of the death penalty, the local attorney would have written in the statute books a "mercy clause" allowing juries to recommend life imprisonment in place of the death penalty. Several others spoke against capital punishment at the hearing.

Urges Annual Salaries For Special Judges

(By NEWS Staff Correspondent)

STATE HOUSE, Boston.—Establishment of annual salaries for special justices in Massachusetts District courts, with a \$5000 yearly payment slated for the Fast Cambridge District court associate justices is asked as the first move to insure retention of the corps of associate judges who might otherwise be ousted by legislative decree forcing them to abandon their private law practice.

Senator William F. Madden of Boston has asked that special justices be paid an annual compensation to be determined on a basis of population in the judicial area.

The proposal reechoes verbal clashes heard in the House and Senate last year as court system reformers failed to ban the private practice of judges and special judges.

The matter is now the subject of a recess study and the result is expected to be legislation drafted to force justices to relinquish their private practice.

Paid at present on a per diem basis, the only benefits noted by judges is reported to be the advertising of their legal ability by the name "Judge" applied before their names.

It has been reported by opponents of the practice ban order that if the measure were to be adopted there would be a wholesale resignation from the bench by special justices, inasmuch as the possibilities of earning a living wage would be out of the question.

Rumor also had the story that Governor Curley would then fill the vacancies with a number of political appointees of his own choosing, but what Democrats or Republicans in favor with the Governor would accept a questionable livelihood in the face of their certain law work, is a problem never settled in the minds of some observers.

However, with the creation of annual salaries for the special justices, providing a living wage, it is expected that impetus will be given the "ban" order and the cry of forcing men to relinquish a livelihood will pass from the political scene.

McCarthy and Mitchell At Turnpike Meeting

Plans for several community meetings of those interested in the Middlesex turnpike were laid at a directors' meeting of the Middlesex Turnpike Association, which was held Friday evening, January 10 in Chelmsford.

President T. W. Parke outlined to the directors a plan of having two men on the board from each of the cities and towns along the proposed route of the four-lane cement super highway which the association is advocating. Already one or more men are acting as such directors, and most of the towns were represented at the Friday session.

Present at the meeting in addition to President T. W. Parke, Vice president Smith J. Adams and Secretary-Treasurer George T. Walsh, were the following elected and acting members of the Board of Directors: John E. Mitchell and Luke McCarthy of Arlington; Timothy Shea, Lexington; Thomas E. Murray, Burlington; Frank Kelley and Frederick G. Brown, Billerica; and Arthur McGlinchey and Victor Picard of Lowell.

Mrs. F. D. Ennis of the Arlington Study club is recuperating from a recent illness at the Symmes hospital.

Ed Ryan Speaks His Mind On State House And Municipal Affairs

132 Wildwood ave

Dear Editor:

Reading in a recent issue of the NEWS, under the State House dome you mentioned about the wan faces at the State House. After the recent elections but I noticed later you had little to say about Sinclair Week's and others after the Newton, Brockton and elections in other places. Now I hope you are not trying to tell us that our great big man Governor, The Noblest Roman of them all, or our young alert, intelligent, smiling executives from the Lieut. Governor down had wan faces.

While I don't want to be uncharitable, the wan faces at the State House are by nature on the tottering old men and women who have long outlived their usefulness, scarcely able to crawl from behind their desks. I don't say all Republicans are bad and all Democrats good; the opposition must remember if they are going to keep sniping at the Governor he will bag them in the open season every chance he gets. His Excellency is no person to trifle with as it was brought out in testimony at an investigation of the work of the Board of last week that his Excellency has the intelligence quota of a super man. We must not forget that the Grand Old Party put the country on the welfare and are now crying out in despair to the sons of the immigrant, save us, save us, lest we perish, but I say to you the O's and Mac's, Leo and Tenny, Axels, Angeles, Sarkis and Batiste don't by honeyed words and innuendoes turn back with your old order of things, your ancestors were looked upon as common herd, when they were a poor man's good enough for the working man. When there was a poor farm in every town and when you could see the old man at dusk coming over the hill after doing a hard day's work with a dinner pail on one arm and bundle of firewood under the other. Then after a life of struggle at starvation wages you saw the same old man wending his way back over the hill to the poor house with his few duds on one arm and his loving and faithful old wife on the other. They tell us not to meddle with the Constitution. That the NRA and AAA were unconstitutional, so was the APA and the KKK. But the country lived on just the same. You can see by the decision of the Supreme Court that six men have more power than the President and Congress of the U. S. A.

But don't worry we have enough big men in both parties to save America, for the Americans, and there is no copyright on the alibi of Noble Experiment.

Now that you have allotted so much space in your valuable paper to State House doings I would suggest that you do away with the snooper or so called Looking Inside column; now that the citizens candidates are in control of the Town Hall, aided by the Bread and Butter Democrats the above column has become more useless than ever; only to tell about sizing up little High school girls, flowers, gardeners, and Five and Ten cent stores. And now that the sponsor has become alarmed about the tax payers owing to the doings at the State House, if I am not mistaken. This is the same Bertie, that was on the Town Finance Committee and Chairman during the greatest spending orgy in the history of the town; How about the Tax payers then? Gee Bee?

So I am going to ask you Mr. Editor to start a column titled, Under The Town Hall Roof, you might tell us who the prominent welfare official is who cannot find a man who cannot find an honest workman.

I can name a lot of them.

I wonder how many he gets hanging around the town hall or is he over at 49 Federal st; such a column might enlighten us about the \$62,000 tax abatement; or who owned all the trucks working for the Town all Summer on relief work or tell us about the salaries paid to these so called administrators.

These are the things that interest the tax payers.

(signed) Edw. T. Ryan

ANSWERS 'AVERAGE CITIZEN'

Editor, Arlington News, Massachusetts ave, Arlington, Mass.

Dear Mr. Mansfield:

I, as president of the Arlington Welfare Council, the charitable agency in the town which is the largest disburser of Christmas dinner baskets, wish that you would print the letter with the fictitious address and signed "Mr. Average Citizen."

I stoop to the same level as the writer to declare that the Council has the "guts" to meet any such absurd statement.

Respectfully,

Semira E. Perry

HERE'S THE LETTER

65 Daniels street,
Arlington, Mass.,
Monday, 23/35

Dear Mr. Editor:

I am informed from many reliable sources that the distribution of Christmas baskets this coming season will be a terrible racket, it will surpass any racket ever attempted before by charitable and church organizations to see that church members and their friends get the first pick then next comes the families of policemen and firemen and their friends, and last the friends of politicians and their henchmen. Last Christmas my oldest son was delivering Christmas baskets for a certain church situated on or near Pleasant st. his first delivery was to the home of a patrolman where he found three more baskets resting comfortably in the hallway.

Ah! its well we know that charitable and church organizations, like all other outfits are partial and ruthless, no matter what newspapers say to the contrary, the majority of the needy are forgotten and left out in the cold, while pampered church members and their friends receive the cream of the baskets, and then the poor overworked cops and firemen, they must not be forgotten, we need their protection and their dignity, if a man is hungry it's his own fault why isn't he a cop or a fireman or at least a church member where he can get fine people who will tell him how to conquer starvation and distress and once more live the life of a prosperous citizen.

I tell you Mr. Editor that Mr. Average Citizen, knows all the rackets, but what can he do about it, no newspapers have guts enough to publish it because it will reduce their profits in advertising.

I earnestly hope that the Arlington News will watch for events during the Christmas basket delivery, whether from the welfare club, or church organizations, and see for themselves if I am telling the truth. Nobody wants to hear the truth nowadays, it's old fashioned.

Mr. Average Citizen

PRAISES PARK BOARD

27 Laurel st

Jan. 15, 1936.

Arlington Daily News

The Board of Park Commissioners is to be commended for the splendid service it has so opportunely rendered in behalf of the youth of Arlington.

No longer do our youth have to worry about forming a definite course to combat the obstacles that have so long loomed before them. Recently I read a poem, "Prayer at Eighteen," the last five lines concisely portray a youth's outlook.

"I have watched hope, ambition, dreams, die out of faces, to be replaced

By resignation in the old and by doubt and desperation in the young.

And I have felt a nameless terror creep into mine.

Lord God, Have I, and a million others like me, a destiny?

And if so, is it worth attaining? The Board has taken steps to aid our youth in at least shaping if not determining their destiny.

Too much praise cannot be given to the board. In behalf of the youth of Arlington I say to John J. Byrne, Nils G. Anderson and Daniel Hooley, "Thanks a Million."

Sincerely yours,

Francis J. Higgins.

Heights' Men's Club To Debate On Sanctions

The Regular Monthly Meeting of the Heights' Men's Club will be held Tuesday evening next January 21. A debate on "Whether the employment of sanctions by a number of nations acting together against an international aggressor leads to war or peace?"

This will not be a logg drawn out tedious dispute, but a short debate with only two men on a side and then plenty of chance for discussion from the floor. Henry Merriam and Herbert Snow will uphold the affirmative arguing that sanctions lead to war; F. H. Barnhill and Edwin Nicoll will take the negative side. There will be plenty of time for games and refreshments.

A building is being built on Massachusetts ave, adjoining Alewife Brook parkway, by the William A. Muller Investment Corporation for F. V. Midgley, owner of the Packard agency at Arlington. The new building, de-

signed by Gay & Proctor, architects, will have a frontage on Massachusetts ave of sixty feet, and will be ninety-eight feet in depth.

The exterior will be of light brick and stone, with stainless steel trimmings. The front of the building has been designed as a lounge and display room, carried out in modern decoration, and in the rear will be a large, accessible service space.

It is expected the building will be ready for occupancy before April 1.

Miss Harriett Denver of Massachusetts ave has been confined to her bed for several weeks with bronchial pneumonia.

TO FIGHT A DREADED DISEASE

Arlington launched its plans last Thursday for an event which should become in future years one of the major affairs of the social season, namely, the Birthday Ball for the President. This year it will be held on January 30th. Regardless of who the President is in the future, it is expected that the Birthday Ball will be sponsored every year throughout the country.

The third annual Birthday Ball for the President, like its predecessors, is primarily concerned with raising funds to fight infantile paralysis in this country. But despite the immediate sympathy which contemplation of the suffering of infantile paralysis victims evokes, there is no intention of using an emotional appeal to swell the fund.

The process of rehabilitation after poliomyelitis is long and the benefits very slow to appear. If the convalescents were to take a melancholy attitude toward their plight their chances of overcoming physical handicaps would be greatly reduced. For this reason the psychological aspects of after treatment are extremely important, and they are duly stressed by such institutions as Warm Springs.

If you notice pictures of the youngsters undergoing treatment it will be apparent to you that their attitude is far from melancholy. Smiling and cheerful, they take the whole business of rehabilitation as a game, in which each tedious step on the road to recovery—repeated a thousand times—is like an individual play in a football contest—to be worked uncomplainingly for all it is worth.

This is why it is so appropriate to finance the battle against infantile paralysis through a nation-wide party where all who contribute by buying tickets may thoroughly enjoy themselves. In the smallest community dance or the great ball at the Waldorf-Astoria in New York it will be the same—laughter will be the symbol of returning happiness to the afflicted.

Prayer League Shows Continuous Growth

The Arlington Prayer League is distinctly an Arlington Organization having come into being over eight years ago.

During the period of years it has carried on its meetings except July and August once each month. It is an organization with no Treasury or Treasurer.

Its ministry has carried countless blessings to those lives it has touched. It is non-sectarian and carries an evangelistic message.

Its relief work through the aid of members and its loyal friends has carried much needed relief in clothing etc. to those in want and need.

Countless homes have been visited, both by the chairman of the sick committee and its chief executive.

Over a year ago requests were made for a branch in W. Somerville but up to the present time it has been deemed unwise by its full executive board to attempt it. Meetings are held there from

time to time. Offers of musical assistance for its meetings are coming from one of the leading choirs of Boston.

Any home near Arlington Centre may have the visit of the Arlington Prayer League for some monthly meeting by application to Mrs. A. D. Wilson Secy., 904 Mass. ave., Arlington. The Prayer League shall be more than pleased to hold such a meeting in the home of some shut-in.

PERKINS-DOYLE

Mrs. John S. Doyle of Herbert rd recently returned from New York where she attended the marriage of her daughter Margaret Evelyn to Mr. Earle P. Perkins of Providence, R.I. The Rev. Father Thomas Graham officiated. Miss Eleanor C. Doyle was maid of honor and Mr. John F. Doyle of Woodridge, N. J. was the best man. The wedding reception was held in the Pillmill Suite of the Waldorf-Astoria. After a trip to Bermuda Mr. and Mrs. Perkins will reside in Providence, R.I.

THE NEWS OBSERVES

Japan by withdrawing from the Naval conference again shows the world that she wants her own way or nothing.

Big bonus payments now should mean "good times". What it will mean for the future nobody knows.

It is estimated that President Roosevelt got about \$40,000 worth of radio time free for his last political speech. We can't blame the Republicans for being sore for not getting an even break but the NBC feels it should grant the President certain privileges ordinary citizens are not entitled to.

The refusal of two main radio chains to grant the Republicans paid time is quite another matter. This brings up an interesting point as to restrictions being placed on certain types of advertising by either radio or newspapers.

All honor to two real Americans, Dr. Alfred C. Lane and Dr. Earl M. Winslow who refused to sign the teachers' oath bill. The first victims of our self-named "patriots".

Every business man is expected to buy a ticket to the President's Ball to be held January 30th. Never mind if you are a Republican; there is to be no politics in connection with this affair.

James H. Franklin, president of the Northern Baptist convention, visited Boston Tuesday. Speaking for 6,000,000 persons, Mr. Franklin stated that within a week of two a Southern Representative, backed by the American Minute Men, would present an amendment to the Constitution to prevent the use of public funds for sectarian purposes.

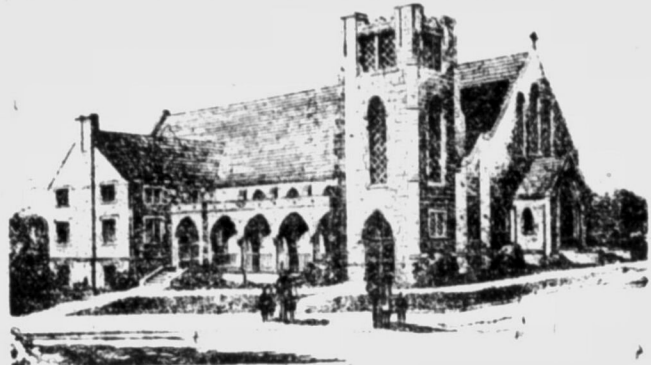

Our hats off to Matthew M. Zubowitch for the faith he has placed in the town of Arlington by building a most modern garage which is certainly a credit to the town at 960 Massachusetts ave. The new place of business is known as the Hy-Grade Motor Company and will handle Chrysler-Plymouth cars. Mr. Zubowitch has been in the business locally for six years.

Banking and carpentry just won't mix. This was proved quite conclusively recently when it came to light that one of the clerks in the Menotomy Trust company on his afternoon off decided to build a pigeon coop in the basement of the bank. When it came time to take away the artistically built and painted coop it was discovered that the doorway wasn't wide enough to get the coop out. FLASH! After necessary remodeling, the coop was removed from the basement.

Sixty-five WPA workers from this town who were laid off with out much of a notice when a Metropolitan District project along the Mystic river was suddenly ordered stopped had been given work by Neil S. Peters, local administrator.

New Members of Drama Friends To Show Ability In Three One-Act Plays

The next presentation of the Friends of the Drama will be a series of one act plays, three in number to be given at the Clubhouse on January 24 and 25. In line with the newly adopted policy of giving all members a chance to show their ability on the stage, the cast of these plays will be composed almost entirely of new members who have never before appeared before a Friends of the Drama audience.

"This Mortal Coil" a play written especially for the Friends by Russell T. Sharpe is a modern and macabre drama, highly stylized and with many artistic innovations. The entire cast is comparatively new with the exception of Wallace Powers. This play is being coached by Mrs. Marjorie Temple Phleger.

The Friends one outstanding playwright, Parker Wood, has come out with another work entitled "Monkey Do" a farce comedy that will be in the nature of an antidote for the heaviness of the first play. Mr. Wood has deliberately cast aside his previous intent to write mystery plays and has brought forth an extremely amusing and delightful comedy that should lay the audience in the aisles. This play is directed by Norman Watt.

The third play of the series is "They're none of them Perfect" written by Sophie Kerr and directed by Mrs. Bradley. The sum total of the three plays will provide a very enjoyable evening as all three are different types and each member of the audience can find in the course of the acting a play to suit himself.

Alumni Elects New Officers

The Arlington High School Alumni Association held its first meeting of 1936 and annual election of officers at Wyman's English Tavern, Arlington Centre, last Monday evening.

Joseph D. Callahan, special feature writer for the NEWS and Boston newspaperman, was re-elected President for a year. John

JOSEPH D. CALLAHAN

Re-elected President

Couluris of Lowell st. Class of '32, was chosen Vice-President. Mary Devlin was re-elected secretary and Richard Church is the new treasurer.

Mr. Callahan, in a short address, reviewed the work of the association for the past three years and touched briefly on the plans for the future. He urged the members to back the Birthday Ball for the President because, he said "it will help to stamp out that dreaded disease known as infantile paralysis and thus alleviate suffering among all people." Tickets for the ball were distributed.

New business which included discussion of a membership drive, an amateur night performance sometime this year and other matters were then taken up.

After the business meeting refreshments were served and the members enjoyed music and entertainment. The next meeting will be held in February.

A. H. S. Basketball Team Trounces Belmont

The Arlington High Basketball team had a comparatively easy time winning over an inexperienced Belmont team by the score of 29 to 9 at the Arlington High Gymnasium last Monday afternoon.

Belmont's first team hardly compared to Arlington's second team. They were quite inexperienced and at no time threatened. They didn't score their first basket until late in the third period. Coach Henry Hornel was able to give his team a strenuous workout in the art of passing the ball. The seconds of Arlington won by the score of 26 to 10.

Membership of Town Meeting Is Changed

Terms of all town meeting members will automatically expire before the annual town election as the result of the town's adoption of Chapter 43A accepting the standard form of town meeting government and all must run for election this year.

As a result, it is expected that the ballot for the annual election will be the longest on record for this town. The precinct representation has been changed according to population. The number elected in each precinct must be divisible by three and the total must be as near 240 as possible. Terms of offices will be based on votes received. The first third high will serve three years; the second third, two years and the last third, one year.

Precincts will have the following number of town meeting members: 1—15; 2—21; 3—12; 4—18; 5—15; 6—18; 7—18; 8—18; 9—15; 10—18; 11—18; 12—21; 13—18; 14—18.

First Baptist C. E. Holds Amateur Night; Patriquin Is Winner

There was "a big time in the old town" last Monday night when the Intermediate Christian Endeavor Society of the First Baptist Church held its Supper and Amateur Night. Forty-eight were seated at the tables. The supper was prepared by Mrs. Melville Rood and Mrs. Fred Douglas to whom the society is greatly indebted. The waitresses were Myrtle Peirce, Laurelean Rood and Frances Ladd, supervised by Mrs. Charles Mellen and Mrs. Harold Meyer. The guest of honor was the pastor, Rev. Grady Feagan, who offered the blessing and later spoke a few words of greeting to the young people.

For the Amateur Program "Colonel" Murray presided as Master of Ceremonies, with the gong much in evidence. The judges were Mr. and Mrs. Charles Mellen and Mrs. Harold Meyer. Carleton Patriquin was decided upon as the winner, and the award will be given to him at the regular meeting on Sunday evening.

Next Sunday night William Hanson will lead a discussion on "Which Is More Important—Home or Foreign Missions?"

All young people between the ages of twelve and sixteen are invited to join this wide-awake group.

Fortnightly Club Party Is A Success

The Philanthropic Committee of the Arlington Fortnightly Club held its annual Charity Bridge and Whist party Tuesday evening in the Town Hall. Mrs. William H. Sutton was chairman and

hostess of the evening. This party was a magnificent success socially and financially. The proceeds of this affair are given the Philanthropic Committee for "Thanksgiving and Christmas Charities."

Many beautiful prizes were awarded.

Mrs. Sutton wishes to thank her committee, club members and friends for their kind efforts and cooperation for the success of this event.

COMMITTEES APPOINTED FOR PRESIDENT'S BALL

(Continued from page 1)

Precinct 12, Mr. and Mrs. Joseph J. Barry.
Precinct 13, Frank H. Lansing, Neil S. Peters, Walter J. Lyons, Mrs. Edna E. Donnelly.
Precinct 14, M. Edward Gaddis.
Chairman of Publicity Committee or Speakers' Bureau, Rep. Hollis M. Gott.
Entertainment Committee, Joseph J. Barry, John K. Winner and M. Movellan.
Reception Committee, Roger W. Homer, chairman; Neil S. Peters, Dr. Clarence E. Dempsey, Mrs. Agnes Sullivan, Mrs. Bertha Murphy.

Meeting Tuesday
It was announced that another meeting of the general committee will be held next Tuesday evening in the hearing room of the Robbins town hall. Chairman McManus again renewed his invitation to all organizations in the community to send at least one representative to the meeting next Tuesday evening. All are invited. The President's Ball is being sponsored on a non-sectarian, non-partisan basis. It is up to every single resident in Arlington to do his share. Chairman McManus pointed out.

He again emphasized that seventy per cent of the proceeds

will be used to take care of infantile paralysis cases in Arlington. The other thirty per cent will go to the national fund.

Speaker's Bureau

That all organizations may be acquainted with the purpose of the Ball, a speaker's bureau has been established with Rep. Hollis M. Gott as chairman. Several groups have already heard speakers on the Ball this week. Others desiring to engage a speaker to address their meetings are invited to get in touch immediately with Rep. Gott.

Arrangements were made to contact Arlington Junior Women's Club, Girl Scouts, High School Alumni Ass'n, High school pupils, Friends of the Drama, Parent-Teacher Ass'n, St. James Catholic Club, Arlington Heights Tower Ass'n, Inc.

It was voted to have a large birthday cake as a feature of the ball.

Mrs. Roger W. Homer spoke regarding the infantile paralysis clinic which has been conducted in Arlington the past five years, funds for which have been donated by Mrs. Arthur Clare and Mrs. M. Crosby. She also spoke of their experiences with this clinic.

Tickets for the Ball may be purchased from members of the committee, at the Selectmen's office in Robbins town hall; the Arlington Visiting Nursing Association, opposite the town hall; Henry E. Keenan's office, 691 Massachusetts ave.; John E. Mitchell, 10 Medford st.; Herbert T. Browne, drug store, corner Massachusetts ave. and Winter st.; the school department offices on Maple st. and at the Arlington News office, 793 Massachusetts ave.

Infantile Fight Locally

With the approach of the President's Birthday Ball, January 30, and the intensified determination to stamp out Infantile Paralysis it may be of interest to review what has already been done in Arlington to relieve and cure its victims here in town.

In August 1930 Arlington had 14 new cases. In November an appeal came from the Harvard Infantile Paralysis Commission that we establish a local clinic for children then being treated at

the Children's hospital, and thus spare them the hardships of transportation. This appeal was turned over to the Arlington Visiting Nursing Association. The association was able to furnish a room, heat and light, but had no funds to finance the worker to be sent out by the Children's hospital. The association then appealed to the trustees of a small fund, left over from the Radensborn Home which cared for crippled children some 25 or 30 years ago. This Home, a local one under the auspices of the Good Samaritan Society, had been unnecessary by the expansion of the Children's hospital.

As this fund was primarily for crippled children, the trustees Mrs. James A. Bailey and Mrs. William F. Homer, gladly cooperated and have financed the clinic for five years. Very recently the Nursing Association was notified that at the end of this year the fund would be exhausted and other means of supporting the clinic would have to be found. The President's Birthday Ball provides the way. Arlington need not abandon this splendid work.

Arlington Cases

Perhaps a few facts about the clinic may be worth while. The average yearly enrollment is 14 children. Eight of the 14 should have weekly supervision of treatment and come to the Clinic regularly; the others come once in two weeks or once a month. Three have had operations this year and are receiving post-operative treatment, one is having treatment in preparation for an operation. Three wear apparatus to support a paralyzed arm; two have two long leg braces, three of them also need crutches. The children who wear apparatus are going to school regularly, except for time out for operations. Each year since the clinic started has brought new cases.

Seventy per cent of the proceeds of the Ball will be used locally, the remainder going to aid the work at Hot Springs.

Arlington needs the President's Birthday Ball!

Fathers' Night At Brackett School PTA

Last Tuesday was "Fathers' Night" at the Brackett School P.T.A. with a large group of fathers in attendance. Archie F. Bullock, chief of police was master of ceremonies.

Milton E. Kirkpatrick, M.D., Director of the Worcester Child Guidance Clinic gave a very enlightening talk on "Milestones in Citizenship". Dr. Kirkpatrick marked the importance of parental attitude on the mental and social adjustment of the child. "It is the little things in habit training and physical development of the child that later determine the mental and physical health of the adult life," said Dr. Kirkpatrick.

Chief Bullock gave a brief talk on civil fingerprinting, stressing the importance of all citizens having their prints taken so as to later help in identifying them and not tiffing their parents in case of accident or loss of memory.

Nelson Patchett, Donald Marshall, Walter Swensen and George Bome sang a group of songs accompanied on the piano by Mrs. C. Linwood Parker. Refreshments were served during the evening. There will be a "Movie" program at the school this Saturday afternoon January 18. On Tuesday January 21, at 8:00 P.M. in the school auditorium Lyman R. Allen will speak to the Study Group on the subject "Sex Education."

FORTNIGHTLY CLUB TO MEET

The next meeting of the Arlington Fortnightly Club will be held in Junior Library Hall, January 23 at 8 o'clock. The committee on American Home, Mrs. William Dolan, Chairman, will be in charge. Home Nursing Demonstration to be presented. The committee will be glad to have all members bring a guest and the public is cordially invited upon admission of twenty-five cents.

Arlington Tops Cambridge Latin 4 to 3 At Garden

By BOB FOREST

The Arlington High hockey team won a seesaw battle over the Cambridge Latin ice men at the Boston Garden last Saturday afternoon. The final score was 4 to 3 in favor of the Red and Gray. Outstanding on the Arlington team was the sensational playing of Bob O'Reilly. Bob scored two of the four Arlington goals unassisted in two brilliant solo dashes. Chaisson starred for the Latin team.

The game was featured by its ruggedness and was by far the best of the afternoon. The crowd was on edge every minute. Penalties tol' hard for both teams. They were both so evenly matched that most of the scoring was done when the other team was a man shy. Roger Keefe was the hero of the game lacing one into the net at 10:15 in the last stanza to win the game for Arlington.

"Round and Round" was the hit of the afternoon, rendered beautifully by the Arlington High band at the Garden. They received rounds and rounds of applause for their masterful presentation of the popular number.

Neither team was able to penetrate in the first period but Arlington turned the traffic light on at 5:56 in the second period with Bob O'Reilly's first solo. Ray Chaisson evened the count in the same period about three minutes later while Roger Keefe was cooling his heels for a questionable infraction of the rules. Two minutes later in the same period Cliff Robillard gave the Latins a one point lead and just before the curtain rang down on the period, Jonny Chipman drove one in to heat the light again and tie the score. Bob O'Reilly banged in a one point lead after the first minute of the third period. Chaisson tied it three minutes later, but Co-Captain Roger Keefe in approved manner drove a beautiful shot from the wing that whizzed past goalie Cramer for the winning goal.

The summary:
ARLINGTON—Owen, Keefe rw; Chipman, Flores, c; Preston, Mee, lw; O'Reilly, rd; Lane, ld; Dut-ton, g.

CAMBRIDGE LATIN—J. Boudreau, Buckley, lw; A. Boudreau, Chaisson, c; Briand, Robillard, rw; W. Boudreau, ld; Robertson rd; Kramer, g.

Score, Arlington 4, Cambridge Latin 3.
Goals—Second period, O'Reilly, 5:56; Chaisson, 9:34; Robillard (W. Boudreau), 10:24; Chipman, 11:02. Third period, O'Reilly, 1:20; Buckley (Chaisson), 4:22; Keefe, 10:15.

Penalties—Lane (tripping), Keefe (tripping), Keefe (interference), W. Boudreau (tripping), Chaisson (charging).

Referees, W. Mahoney and Hughes. Time, three 12m periods.

Long Asks State To Tax Housing Projects Of U. S. Government

(Special To The News)
STATE HOUSE, BOSTON.—To check an additional loss of taxable property to the town of Arlington now deprived of \$5,833,600 a year in lost taxes, State Taxation Commissioner Henry F. Long today urged the legislative committee on Taxation to permit the state and municipalities to assess property used for slum clearance and housing projects.

The problem arises from federal government proposals to use land in Boston, Cambridge and other communities to provide low rent homes for those unable to meet rent requirements under the tenant land owner arrangement.

Under existing state law, it is impossible to place a tax on property owned by the federal government. It is this law which the commissioner would have amended in order to stem the rising tide of tax exempt property which would grow with the federal housing program.

Unless the definition of this exemption is changed to specify property used for a governmental function, such as a court house, custom house or fort, it would mean that the municipality would be unable to continue its tax levy on property taken for housing or slum clearance projects, the commissioner pointed out.

Arlington Track Team Loses to Strong Somerville Runner.

By Rollins

Displaying considerable well-distributed strength which should help in their quest for State championship laurels, the Somerville High school track team defeated the Arlington team by a 46-31 score on the local board track last Friday. Paul Cronin won the 1000 yd. run in impressive fashion and also raced a sparkling anchor leg for the relay team. His courageous effort to cut down a 50 yd. lead failed by a narrow margin. Suhr and Horne won first and second place for Arlington in the shot put while Herb Cook finished a strong second in the 600 yd. run. Leonard won the standing broad jump with a 9 ft. 3 in. leap. Driscoll tied for second in the high jump. Billy Partlow, a new comer to town, was second in the high jump as Daniels and Lempe were awarded second and third places after the time trials of the 300 yd. run.

Spike Remarks
Simmons was the only Arlington runner in the 35 yd. dash final but Somerville won all three places.

Ex-captain Billy Doss who holds the track record of 35-2-5 seconds for 300 yds. is now the very capable A. H. S. track team manager and efficient timer for other aspiring runners who train at M. I. T. during the evenings.

Rangers At Top At End of First Round In Amateur League

The Arlington Amateur Basketball League has completed its first round with the Rangers in first place and the Cardinals second. The First Baptist Church A. A. team is a close third and is pushing the Cardinals hard for second place.

The League due to its early start this year is proceeding quickly through its schedule. The games have been fast and thrilling enough to satisfy everyone. During the second round the games should be even faster and better due to the fact that the boys are now thoroughly warmed up and the teams are better organized and teamwork has vastly improved.

The games take place every Wednesday night beginning at 7 p. m. in the Junior High East gymnasium.

Included on the Ticket Committee, which is headed by Mrs. J. Eric Atkinson of Beacon Circle, Milton, is Mrs. Louis S. Chick of Falmouth rd., Arlington.

LOCAL MEN AT SESSION OF TURNPIKE GROUP; CONFER WITH SELECTMEN

The widespread interest in northern Middlesex county in the proposed new four-lane cement superhighway, was again proved Thursday night, when nearly 200 attended the second general meeting of the Middlesex Turnpike Association in the rooms of the Chamber of Commerce in Lowell. Members of the association and others interested in the road from all towns along the route were present and took part in the discussion.

A feature of the meeting was a unanimous standing vote pledging all present to exert every effort to have the Middlesex turnpike laid out and built as soon as possible, in order to secure for northern Middlesex county a shorter, straighter, safer and long-lived superhighway that will help the entire region in the saving of lives, time and money in building business and in helping property values.

Local Men Speak
Arlington groups enlivened the session by friendly yet stubborn

opposition to the assumed route through which the highway will run in Arlington. Luke McCarthy, Arlington director of the association, introduced Selectman Harold Estabrook, Chairman John E. Mitchell of the Board of Public Works, Harold C. Knight and Herbert Dutcher of the planning board, who lined up for the highway's running through Summer st, while another group, when introduced, demanded that the route be through Arlington Heights and Lowell st as a necessary means of assisting businessmen in that vicinity who were described as "just about existing" on the industrial investments at present.

President Thaddeus W. Parke, acting as peace maker, suggested that the department of public works would make the decision as to where the road would be routed, and that a public meeting to record the views of the majority of the Arlington residents would be held in Arlington.

Luke McCarthy then cited the provisions of the association's constitution permitting the appointment of several additional directors, and on his motions, John Mitchell was appointed a director for Arlington and George Armstrong a director for Chelmsford.

There was a meeting last Wednesday in the Arlington Town hall between the selectmen, planning board and the board of public works of Arlington, and the officers of the Middlesex Turnpike Association, the invitation being extended by Mr. Mitchell.

The next general meeting of the association will be held January 23.

Gill Club Host To Boston Federation

The First Parish Young People's Society, "The Gill Club" entertained nearly two hundred young people of the Boston Federation at an afternoon and evening conference in the First Parish. It was the largest conference held by the Federation in many years. Russell Wise, President of the Gill Club, welcomed the delegates. Rev. John Nicol Mark spoke on "The Sons of the Prophets." Mrs. Ruth Fuller gave some readings.

After a delicious supper served by Mrs. Russell P. Wise, Mrs. Samuel Harris and Mrs. John N. Mark, an interesting talk was given on "With Byrd at the Antarctic."

The conference closed with a Candle Light service. Robert Wellington represented the Federation and made most of the local arrangements for this successful gathering.

The Citizens Committee is a voluntary organization obtaining its membership from any voter—man or woman, democrat or republican—who is interested in good Town Government. As a means of obtaining better government it every year about this time looks over the field of those seeking the various elective offices in Town and endorses one for each office thus making a Citizens Committee slate. In addition to this endorsement it actively goes out and battles to get its slate elected. The selection of who shall be endorsed is done in a regular way, first by means of a committee appointed or elected by the whole membership and this subcommittee report to the members its findings for final vote and endorsement.

Right now that sub-committee is shopping around for people to endorse. Perhaps due to the hopelessness of winning without the endorsement of the Citizens Committee very few publicly signify their intention of running so that for the last year or two the Committee has had to go out seeking men to run rather than look over the list of those out for the office and picking out the best. So if you know who you would like to have for some office—tell the Committee—you will do them a favor.

P.S. Had the pleasure of being among the many to greet Mrs. Russell on the occasion of her ninety-fifth birthday. Had some of her birthday cake. As I was leaving I asked her if I might be invited to have some of her one-hundredth birthday cake and did she come back with a snappy answer. "Sure, if you think you will be able to come."

Boy Scout Notes

Troop 5

Last Friday night the Silver Fox patrol of Troop Five entertained the Scouts at Junior High West with a kitchen band. The band was conducted by Alfred Woodward.

After the band played a number of pieces the boys were asked to sing some songs accompanied by the band.

During the regular part of the meeting, Scoutmaster Thomas L. Basti encouraged the patrol to have meetings each week.

Troop 7

Scout John Dolan of Troop 7 was presented with two merit badges by Robert Nolan. The awards were reptile study and zoology. After the ceremony, Scout Dolan told the troop of the requirements and how he complied with them.

Troop 28

Troop 28, Junior High East, were the guests of Troop 10, Calvary Methodist church, January 10, 1936. Members of both troops engaged in games on the Scout Oath, Laws and the square knot. The Beaver patrol of Troop 10 came out ahead of its two brother patrols and the patrols of Troop 28.

Press Bureau

A meeting of the Arlington Press Bureau was held at the Robins Library Tuesday, January 14, 1936. Troops 1, 28, 7, and 5 were represented. A larger membership is wanted as some of the troops were not represented.

"Ten new Scouts by February," is the hue and cry of the officers of Troop One. The patrols are cooperating wholeheartedly, and have already added four to their ranks.

In accord with this project, the patrols are working feverishly on a program for parents' night, which is to come in February. Scout officials have been invited to this affair and a real worthwhile evening is sure to be had.

The members of the troop wish to thank the public for its great generosity in supplying the kitchenware for the cabin. Many people immediately responded and now the cabin kitchen is adequately supplied.

Annual Scout Session Saturday

The Annual Meeting of Sachem Council, Boy Scouts of America, will be held Saturday afternoon and evening, January 18th at the Arlington Country Club, Arlington.

An innovation this year will be the presence of the wives of Scouts and women friends of Scouting.

In the afternoon the ladies will enjoy an entertainment and listen to Dr. Helen McGillicuddy, well-known in the professional world. This entertainment will be under the direction of the Women's Committee, Mrs. Wm. Hart Nichols, chairman.

The Annual Meeting will start at 3 P. M. when the regular business of the Council will be transacted, reports of Council Committees considered, officers elected for the ensuing year and the objectives for 1936 discussed.

Following this meeting there will be group discussions on subjects valuable to Scouting under the leadership of various members of the Council Executive Board. Several of the topics to be discussed will be "The Troop Committee Chairman," "Senior Scouting," "Health and Safety," "The Troop's Outdoor Program," "Enriching the Troop Program," "Cubbing," "Troop Courts of Honor," "Good Business Management," "Securing Support from Parents and Parent Institutions" and "Troop Publicity."

This discussion always forms a most delightful part of the Annual Meeting and is always well attended.

At 6:30 the dinner will be served. The principal speaker of the evening will be Arthur T. Lyman, State Commissioner of Correction, who always has something worth while to say and knows how to say it.

Other features on the program will be the induction of the new Scout Commissioner, the passing of usual resolutions, presentation of training course certificates, the presentation of the Silver Beaver for Distinguished Service to Boy Scout and the Golden Arrow of Scouting Ceremony not on by the Scouts of Troop 4, Belmont.

It is expected that about one hundred and fifty Scouts and their friends will be present.

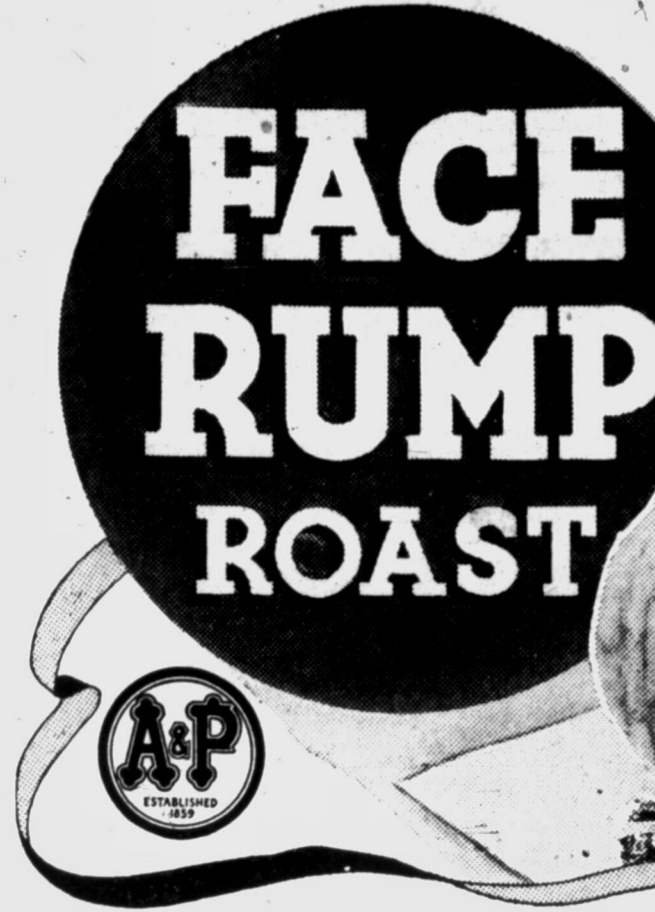

Deeds of Miss Upton
Present Second Recital

Last Saturday afternoon Miss Thyra P. Upton of 22 Ranslev rd., presented another group of her pupils in the second informal recital of the season.

The program was very interesting and musically rendered, showing the result of thorough training.

Two of the pupils, Gloria Fredrickson, and Carol Putney, had looked up articles on Chopin and Schumann respectively, and played numbers by these composers.

At the end of the program Miss Upton played selections by request, one of which was a Tarentella composed by Bertha Stone Vickers, one of Miss Upton's former teachers and who is now an outstanding teacher in Oakland, California.

Renews Fight For Lower Cost To Towns For New Highway:

(Special to the NEWS)
STATE HOUSE, Boston.—In a move to reduce costs in Middlesex county towns for the construction of highways under the provisions of Chapter 81, Rep. Fred B. Dole of Shelburne, has

renewed his battle to have the state pay \$200 per mile for such work, replacing the \$150 per mile payment now in effect.

In Middlesex county, with 1094 miles of highway construction planned in the past year, the state would have expended \$218,800 rather than the \$164,100 estimated under the \$150 agreement, affecting a saving to county towns of \$54,700.

Menotomy Chapter

Plans Patriotic Program For Feb. 21

The first meeting of Menotomy Chapter D. A. R. in 1936, was fittingly given over to the discussion of membership last Friday. Mrs. Melville H. Rood, program chairman, announced a Public Patriotic Program to be held in Robbins Memorial Town Hall, at 8 o'clock on Friday evening, February 21st. Prominent members of both the state and local D. A. R. and S. A. R. will take part in the program, and members of the Arlington Boy Scouts' organization will usher. Girl Scouts who have successfully completed the Home maker's course prescribed by the D. A. R. will receive the awards at this meeting.

During the business session at which the regent, Miss Ednah A. Warren, presided, Mrs. Ernest Southwick read an outline of the work called for by the National Chairman of Americanism; Mrs. L. E. A. Smith, chairman of National Defense, stressed the need at this critical period of a study not only of the Constitution itself, but of the men who framed it and the circumstances which influenced its adoption. The State chairman of Membership, Mrs. George L. Pearce, presented in a telling manner the need to interest young women in the work of the D. A. R. organization that they may be prepared to carry on as the older members drop away. She described the functioning in her own chapter, the Hannah Winthrop of Cambridge, of a Junior Group, and advocated similar groups in all chapters. At the close of her talk Mrs. Pearce answered questions.

Delegates were chosen to represent the chapter at the March Conference in Boston. Miss Ednah Warren, Mrs. M. H. Rood, Mrs. James Cunningham, Mrs. K. T. Trehwella. Alternates: Mrs. L. E. A. Smith, Mrs. Clinton Haig, Mrs. E. R. Vinal, Mrs. Philip Eberhardt, Mrs. Frank Wardell, Mrs. A. W. Platin, Mrs. C. F. Atwood, Mrs. J. P. Wyman, Mrs. Ernest Southwick, Mrs. George Savage. During the afternoon Miss Isabel Souster contributed two musical numbers. Mrs. Souster was her accompanist.

Money and materials were collected to be sent to Ellis Island, and at the close of the meeting the Ways and Means Committee held a food sale.

The feature of the meeting in February will be a patriotic play in charge of Mrs. Kenneth T. Trehwella.

Local Man Held In \$25,000 For Alleged Swindle

William Ahearn of Arlington, was held in bonds of \$25,000 in Police Court in Hartford Tuesday on a warrant charging him with obtaining money under false pretenses in connection with an alleged \$35,000 swindle.

Ahearn was brought here from Waterbury where similar charges were not pros'd because, Prosecutor John D. Thomas of that city explained, the alleged offense occurred in Hartford.

Hartford prosecutor Nicholas F. Rago said two weeks would be required to unravel the skein of events leading up to Ahearn's arrest with a man giving him his name as Harold Tatz, but that it all began with the "finding" of a pocketbook.

Samuel S. Denton, Ridgefield banker, whose name appears as complainant on the warrant, told the prosecutor that he found a pocketbook in a Waterbury hotel and that it contained \$200 and a letter of credit for \$10,000.

Instead of a reward, the banker alleges, he was permitted to join in a stock market killing which he charged Ahearn told him he was making at the time.

Denton said he posted \$35,000 as a guarantee of financial responsibility.

Buick 1936 Meets With Popular Appeal Production Shows

Production of the Buick Motor Company during the year 1935, totaled 107,611 units, an increase of 28,854 or 36.6 percent over the previous year and the highest annual output since 1930. The Arlington Buick Company, local distributor of Buicks has shown marked increases in sales during 1935.

At the same time, similar gains were recorded in sales, with domestic retail deliveries during the year reaching a total of 92,126 as against 64,899 in the previous year, an increase of 27,227 units or 41.9 percent.

Production was carried on at the highest rate in recent Buick history, averaging approximately 825 cars a day during October, November and December. In the last four months of 1935 a total of 60,908 cars were produced and shipped as against 46,703 in the first eight months of the year. Sales during the same period totaled 50,369 cars, exceeding the entire volume of the preceding eight months when 49,784 cars were delivered to retail customers.

The company's original goal of total domestic sales during 1935 of 85,000 cars was surpassed by more than 7,000 units. A projected 25 percent increase in production and domestic sales for 1936 likewise was exceeded with the gains in these categories being 36.6 and 41.9 respectively.

Arlington Residents In Choral Concert

There is much local interest in the concert to be given by the Winchester Choral Society on Tuesday evening, January 21, at 8 o'clock in the town hall, Winchester, because of the number from Arlington who are members of this splendid musical organization, the personnel of which includes singers from cities and towns throughout the Mystic Valley.

A most interesting and worthwhile program will be presented under the direction of J. Albert Wilson, including choruses from "The Yeomen of the Guard," by Arthur Sullivan, "Vagabonds," by Eaton Fanning, "Love Songs," by Brahms, "In Piccadilly," by Osmond, and by special request the chorus will sing, "The Lost Chord" for which one of the new Hamilton organs is being installed. Richard Phelps, organist, Mary R. Witham, accompanist and Walter Smith, trumpeter.

BEACON HILL REPORTS SAY GOTT MAY RUN FOR BOARD OF SELECTMEN

(Special to the News)

STATE HOUSE, Boston.—That Rep. Hollis M. Gott of Arlington may be drafted to run for the local board of selectmen in the forthcoming town meeting, is given considerable credence on Beacon Hill.

Throughout the State House corridors, Republicans and Democrats alike, discussing the March non-partisan election, continuously inject the possible Gott candidacy in their cautious prognostications.

Argument as to the advisability of permitting a member of the legislature seeking another post has arisen. Precedence is found throughout the state legislature of state officials simultaneously holding political office in their respective communities.

No definite statement has been forthcoming from Representative Gott. He continues to maintain his sphinx-like silence, repeatedly dismissing all forms of conjecture on his possible candidacy by resting his decision with Arlington voters.

Transfer of Arlington town fights to State House halls is not unusual in the present day, with the continuous debate over interwoven governments of state and town centered at the State capitol.

Opponents of the Arlington member of the legislature dismiss mention of the fact that Gott would be holding two official posts with the feeling that the \$300 per year paid as a Selectman, would scarcely be considered sufficient upon which to face a campaign issue.

Advocates of the Gott candidacy this week expressed confidence that a sufficient indication of the popular sentiment behind the drafting of the Arlington official

would prompt him to permit his name to be used in the March runoff.

His friends declare there is no doubt but what his dual service in the legislature and town governments would result in benefits to the community. It is said he would be in close touch with both the town affairs and be on guard in the state capitol to protect at all times the interest of the town, to a greater degree than at present.

Previous practices of men in town and state life erase any danger of attacks which might be made on the grounds of dual representation.

In the State Senate, Harry B. Putnam of Westfield is City Solicitor, Samuel H. Wragge of Needham is deputy sheriff and active in Needham town affairs, Charles T. Cavanagh of Cambridge is clerk of courts, P. Eugene Casey of Milford is a member of the Board of Selectmen, Albert Cole of Lynn is a member of the Lynn City Council.

The House of Representatives, former Rep. Albert Burnham of Lexington whose seat Gott took, was at the same time he served as Representative a Selectman in the Town of Lexington. Mayors John J. Irwin of Medford and James E. Hagan of Somerville also sat as Representatives while conducting municipal affairs.

There are scores of members of both branches of the legislature serving both as Representatives and Selectmen.

It is expected that within a few weeks, Rep. Gott will be waited on by a committee of Arlington citizens who will ask consent to place his name before the town meeting for endorsement and election to the board of selectmen.

TREMONT THEATRE

Tremont Theatre Proven Pictures

Attractions at the popular Tremont Theatre for this Friday and Saturday are, William Powell and Myrna Loy in "Evelyn Prentice" and the romantic musical comedy, Edmund Lowe in "King Solomon of Broadway" with Dorothy Page and Pinky Tomlin.

Greta Garbo and Fredric March top the program for Sunday, Monday and Tuesday in the great Tolstoy novel "Anna Karenina". As evidenced by the raving of film critics this picture, which marks the tenth anniversary of Miss Garbo on the screen is the most dazzling, colorful and dramatic production of her career. Ten years ago a timid bewildered girl, not speaking a word of English, Greta Lovisa Gustafson, began her first American screen role, today in "Anna Karenina" she speaks perfect English and stands as the most probable contender for the award as best actress and best performance for 1935. The Garbo supporting cast is one of the largest ever assembled around the First Lady of the screen. Heading it are Freddie Bartholomew, Maureen O'Sullivan and May Robson and thirty-five other well known players. Co-featured on this program is Jane Withers of "Ginger" fame, in "This Is The Life"; she plays the dramatic role of a footlight darling who yearns to be just a regular kid; Sally Blane and John McGuire are featured.

Proven Pictures for Wednesday and Thursday are, "Gallant Lady" starring Ann Harding and Olive Brook and "Diamond Jim" starring Edward Arnold and Binnie Barnes. Little need be said about these two fine films as their merits as proven screen entertainment is unquestionable. Latest short subjects and news events accompany each program.

Visit the Tremont Theatre and enjoy these well selected programs of Proven Pictures. Come once and you will be a steady fan. Send for our program of coming attractions.

At the Tremont all seats are 15c until six p. m. and 25c from six until closing. Saturday, Sunday and holidays all seats are 15c till one p. m. and 25c from one p. m. to closing.

KEITH MEMORIAL

So great has been the public response to Universal's John M. Stahl production of the celebrated best-selling Lloyd C. Douglas novel, "Magnificent Obsession," that the management of the Keith Memorial theatre has been obliged to hold the film over for a second week in order to accommodate the thousands of Bostonians clamoring to view it.

Irene Dunne and Robert Taylor play the starring roles in this absorbing photoplay, a lavishly produced story directed by John M. Stahl. Its poignant drama begins in New York City and later moves to Paris, finally reaching its climax in Virginia.

The amazing story of "Magnificent Obsession" is said to be the screen's outstanding example of poignant emotion, with the mysterious "obsession" exerting a powerful influence on the characters' lives. The picture's principle theme is a tender love story between Miss Dunne and Taylor, which reaches a heart pulsing climax when the main figures of the narrative are threatened with tragedy.

Important roles in "Magnificent Obsession" are enacted by Charles Butterworth, Betty Furness, Ralph Morgan, Sara Haden, Gilbert Emery, Henry Armetta and Arthur Treacher.

The tenth issue of March of Time, an organ of the Everett Haydn, the latest issue of Pathe News and miscellaneous short films also will be on the program.

Kiwanis Notes

Everett C. Preston, supervisor of instruction for Sackem Council, Boy Scouts of America, was the guest speaker at the weekly meeting of the Kiwanis club in Wyman's tavern yesterday noon.

The keynote of his talk was the purpose of Scouting—"to tempt boys to higher things." Following his talk, Mr. Preston showed moving pictures of camp life at Antrim, N. H., where the Council maintains its summer camp.

The Kiwanians then voted to approve the work being done by the Scout Council.

Several club members are planning to attend the North Attleboro club's anniversary ladies' night next Monday.

"Sketch Book" will be present.

Kensington Park Study Club Hears Economic Discussion

Beginning a study of economic structures now on trial, the Kensington Park Study Club met on Tuesday, and listened to a paper on "Communism" written by Mrs. Arthur E. Northrop and read by Mrs. W. G. Brooks, and a paper on "Russia, a Type Case in Communist Control" prepared by Mrs. F. D. Ennis and read by Mrs. Arthur E. Stevens. Mrs. Northrop's challenging paper developed the idea that the communist ideal is one of justice to all classes. Russia, according to the findings of Mrs. Ennis, has made some progress toward the goal of a classless society in which there is no exploitation of mankind, but at great cost. Such methods as were used in Russia to bring about social reform would be impossible in this country.

Mrs. Eugene R. Vinal, president of the club, presided. Hostess for the day was Mrs. A. W. Phillips.
